

CALTRANS CONSTRUCTION NOTICE

Foothill Freeway (I-210) Pavement Rehabilitation Project

LONG TERM EASTBOUND PENNSYLVANIA AVENUE ON- AND OFF-RAMP CLOSURES

La Crescenta- The California Department of Transportation (Caltrans) will close the eastbound Foothill Freeway (I-210) **Pennsylvania Avenue on- and off-ramps** beginning **Monday, January 23, 2017** as part of a pavement rehabilitation construction project. The ramp closures will remain in effect through spring 2017. Closures are weather permitting and subject to change. Detour signs will be posted. Motorists are advised to plan ahead and use other ramps in the area, including La Crescenta Avenue and Lowell Avenue.

Flatiron West, Inc. is the contractor of this \$148.5 million project. Once the project is completed in 2018, the new surface will provide a smoother, safer drive for motorists, reduce time required for maintenance and minimize the need for further lane closures.

For additional information please contact Karina Vargas at (213) 897.7602 or karina.vargas@dot.ca.gov
